

Agency: Commerce, Community and Economic Development**Grants to Municipalities (AS 37.05.315)****Grant Recipient: King Cove****Project Title:**

King Cove - City Streets Phase II

State Funding Requested: \$ 500,000**House District: 37 - S**

One-Time Need

Brief Project Description:

Upgrade about 5 miles of City Streets in King Cove.

Funding Plan:**Total Cost of Project: \$11,000,000**

	<u>Funding Secured</u>		<u>Other Pending Requests</u>		<u>Anticipated Future Need</u>	
	<i>Amount</i>	<i>FY</i>	<i>Amount</i>	<i>FY</i>	<i>Amount</i>	<i>FY</i>
Federal Funds	\$6,900,000	2005-2009	\$500,000	2009		
Denali Commission	\$1,200,000	2007	\$100,000	2009		
Local Funds	\$1,200,000	2006-2008	\$600,000	2009		
Total	\$9,300,000		\$1,200,000			

Detailed Project Description and Justification:

Project scope includes constructing major traffic safety realignments with increased road elevations and widths, adding pedestrian safety improvements, improving drainage, utility relocations, purchasing of right-of-way, erosion control measures, and asphalt paving for approximately 75% of the community's street system. It also includes a new bridge to cross Ram Creek and replace a series of culverts that were part of the original road construction back in the early 1980's.

Project Timeline:

Completion in 2008 is the hope. Timing may delay completion to June / July of 2009.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

City of King Cove

Has this project been through a public review process at the local level and is it a community priority? ☒ Yes ☐ No

CITY OF KING COVE
Resolution 08-02

A RESOLUTION ADOPTING THE CITY'S 2008 LEGISLATIVE PRIORITIES

WHEREAS, the City of King Cove has identified a number of Legislative priorities for 2008 and;

THEREFORE BE IT RESOLVED, that the City hereby requests the following two CAPITAL projects receive State funding for FY09:

- 1) \$500,000 for our City Streets project and;
- 2) \$500,000 for our King Cove Waterfront Development project.

BE IT FURTHER RESOLVED, that the City of King Cove wishes to document our support for the following LEGISLATIVE issues:

- 1) Senate Bill 72 – Community Revenue Sharing

City of King Cove contends a 50% increase over our FY08 amount of \$113,000 is reasonable and equitable

- 2) House Bill 152 – Establish Renewable Energy Fund

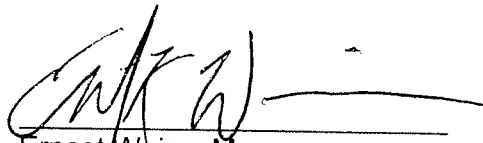

City of King Cove supports legislation to create and capitalize this Fund and anticipates receiving a \$2.0 million grant/loan for expanding our current hydroelectric facility.

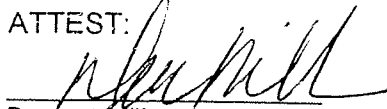

- 3) Senate Bill 125 – PERS/TRS Contributions

City of King Cove supports the 85/15 split of this unfunded liability as recommended by the Alaska Municipal League.

FINALLY, BE IT FURTHER RESOLVED, that City Council hereby directs the City Administration to deliver a copy of this resolution to Governor Palin and key members of the Legislature, particularly Senator Hoffman and Representative Edgmon.

PASSED AND ADOPTED, by a duly constituted quorum of the City of King Cove Council this 18 day of January 2008.

Ernest Weiss, Mayor

KING COVE CITY STREETS PROJECT
(2002 - 2008)

THE PROJECT: This project is a multi-year project upgrading about 5 miles of City Streets in "downtown" King cove. The project scope includes constructing major traffic safety realignments with increased road elevations and widths, adding pedestrian safety improvements, improving drainage, utility relocations, purchasing of right-of-way, erosion control measures, and asphalt paving for approximately 75% of the community's street system. It also includes a new bridge to cross Ram Creek and replace a series of culverts that were part of the original road construction back in the early 1980s.

PROJECT COST: total cost of \$11.0; Phase 1 (\$3.5 million) and Phase 2 (\$7.5million)
